RE: Emerge Arizona Women Leaders for a Democratic Future
Federal Identification Number 20-2777707

4. Details of Violation

This organization appears to be a political campaign organization formed by its Executive Director, Dana Marie Kennedy and does not have any social welfare purpose under Code Section 501(c) 4 which would allow it to operate as a Non-Profit Organization.

The organization's charter describes that the entity states:

"The corporation initially intends to encourage citizen participation in elections, provide training for potential candidates for public office, promote the general welfare and build confidence in democratic institutions."

However, the organization appears to be merely a partisan political entity that only will assist applicants that pledge its affiliation to the "Democratic Party and its candidates". See the attached Declaration on Applying that the organization requires each of its members to sign and pay dues for.

Further, the 2007 form 990 tax return shows that over 50% of the direct public support revenue was used to pay compensation and meeting and conference expenses for the Executive Director, Dana Marie Kennedy, who herself is running for public office in the City of Phoenix (see attached page 2 of Form 990 under column C – management and general expenses).
